

BROWN BROS FRAMING AND DRYWALL LTD.

Policy For Subcontractors

Please be advised that the updated policies outlined below will take effect on April 20, 2026. By reviewing this policy, you acknowledge and agree to comply with the rules set forth. These policies have been established by Brown Bros Framing and Drywall Ltd. and adherence to them is mandatory for all Subcontractors.

Subcontractor Requirements For Time Keeping And Reporting

All subcontractors are required to use Corfix for tracking HOURLY work. For contract-based work, all subcontractors must sign the timecard sheet available on-site to ensure proper documentation and verification. All hours worked must be approved by Brown Bros office or the Supervisor.

For subcontractors using the timecard sheet on-site, Supervisors must sign off on the hours daily or within 24 hours to confirm the accuracy of the recorded time. Additionally, all subcontractors working under Brown Bros are required to submit a daily report to the Brown Bros office at (604) 961-2423. This report must include a detailed description and photos of the work completed at the end of each shift.

If subcontractors are using Corfix and there are any discrepancies with your hours, it is the worker's responsibility to notify the Brown Bros office within 24 hours of the error.

Failure to have your hours approved by the Supervisor or the Brown Bros office within 24 hours will result in your hours being recorded as 0, and the hours will not be adjusted.

Failure to submit a detailed description and photos of the work completed at the end of each shift to the Brown Bros Office will result in the following disciplinary actions :

- FIRST OFFENCE : VERBAL WARNING**
- SECOND OFFENCE : WRITTEN WARNING**
- THIRD OFFENCE : TERMINATION OF EMPLOYMENT, AND REMOVAL FROM ALL BROWN BROS JOB SITE**

Orientation

Brown Bros has a separate orientation program, distinct from the one conducted by the Safety Construction Officer on site. Upon hire, all subcontractors are required to complete the Brown Bros orientation with Parwinder. If you are working in Victoria, this orientation must be completed in person. For subcontractors working in Vancouver, the orientation will be conducted via Google Meets to ensure a clear understanding of the rules and policies established by our company.

Certificates/ Fall Protection

All Subcontractors working in areas where fall protection is required must submit their fall protection certificate, WHMIS certificate, and site-specific fall protection plan to the Parwinder at pd@brownbros.ca prior to commencing any work.

If any other work is being performed, it is the subcontractor's responsibility to provide the necessary certificates to the Brown Bros Office prior to starting work

Damages and Deficiencies

If any damages or deficiencies are identified on any of the Brown Bros sites caused by the subcontractor and/or the subcontractor's workers, it is the responsibility of the Foreman or Subcontractor's Supervisor to address the issue with Nav Rai. Please note that all associated costs, determined by Nav Rai, will be the responsibility of the subcontractor.

Billing

Brown Bros Framing And Drywall Ltd.'s billing date is the 25th of each month. Therefore, all subcontractors are required to submit their invoices to our accounting department at info@brownbros.ca by the 25th to avoid any delays.

Please note : Failure to meet this deadline will result in payment delays
